

Grammar and practice p25

Habits

1 Key

a, b, c, d, f

Verb forms in the present simple and the verb *tend to* are used to indicate the present, plus use of frequency adverbs (*always, sometimes, usually*).

2 Key

e, g

Verbs forms *would* and *used to* and the past simple are used to indicate the past, plus use of time references like *Last summer*.

3 Possible answers

never
rarely
hardly ever
occasionally
frequently
often

After students have completed the task, encourage them to refer to the Grammar reference on page 175.

4 Possible answers

- a When people are *fed up*, they tend to be miserable, unsociable and unwilling to go out and do things.
- b When people are *nervous* or *embarrassed*, they tend to blush and be unable to speak clearly. Sometimes they become clumsy.
- c When people are *excited*, they tend to talk and laugh a lot. They tend to rush about and do a lot of things.

5 Key

The present continuous with *always* is used to refer to very frequent actions, especially ones which the speaker finds annoying.

Used to

- 7 After students have completed the task, encourage them to refer to the Grammar reference on page 175.

Key

Vocabulary p27

Lead in

Check students understand the meaning of the title: *confessions* (something wrong that people admit to doing), *chocoholic* (somebody who is obsessed with eating chocolate).

1 Key

The writer feels a bit *defensive* that the reader might laugh at him/her, *proud* that he/she has got the addition under control at the moment, and also a bit *smug* that he/she doesn't put on any weight even when he/she eats a lot of chocolate.
